

What is Property Marking?

As there has been a recent spike in farm and tool related thefts across the country, we would like to make you aware of our new call out service to your farm to protect your valuables. This involves (1) marking your farm valuables with your Eircode using our property marking machine and (2) erecting signage on your farm which will increase the fear for mobile criminal gangs and opportunistic thieves. The safety signage below carries a strong Garda logo which also acts as a deterrent.

Sign for your farm

Stickers for your marked valuables

A sample marking for your quad, trailer etc.

Our not-for-profit organisation is supported by An Garda Síochána and the Department of Justice.

What valuables can be marked?

We can mark a wide range of items, from tools, quads, chainsaws and trailers to heavier farm machinery such as tractors. The marking machine has the capacity to mark all plastic, metal, wood, and leather valuables. The marking that is made is very difficult to remove.

Where can I get the signs?

When we call out to your farm to mark your property, we will have a range of property marking signs and stickers available to purchase.

The cost of property marking including signage and stickers can be claimed as a farm expense.

To book a call out to your farm or for any more questions contact:

Office: 052 617 9801
James O'Neill: 087 132 2497
Emma Thompson: 087 272 1855

"Marked property makes it less attractive to thieves and greatly increases the chance of having stolen property returned to you should it become lost or stolen."
